Thanks to all of you for supporting this new venture . We greatly appreciate your comments and feedback so far. In hindsight there is usually more comments. Please pass them on to us at [border100@wgdfmcc.org](mailto:border100@wgdfmcc.org)

Our thanks go to our Landlords at Start and Lunch check. If you would like to ride a more competitive event in this area then look out for the Wye-gate Trial. If this was too slow for you, then you really should try one of the Rally events advertised or enter some Enduros.

Keep checking the website for more info as there will be some more analysis of the results and some photos put on. [www.wgdfmcc.org](http://www.wgdfmcc.org)

Thanks again: Colin Jones (Sec) and Matt Neale (CofC)
