* Many thanks to our officials and helpers and of course to our many Landowners.

* Any protest should be made in accordance with regulations to the Sec of the Meeting:

* You will find more information/photos etc. on www.wgdfmcc.org.uk/events/sidecargate/MotoBritannica2013.htm

Thanks for all those who helped put on the 2013 Moto Britanica Trial: Vessey and Darren for PR work, Anth for testing the road book, Rod, Dave and Stan for all their work clearing and marking the sections, and all the club members who helped on the day with observing, some covering four sections. Special thanks to Colin for all his work and skill to make entering so easy and for correcting my mistakes and last but not least to Carol for baking the cakes that seemed to go down well.

Please give us your feedback on what you thought of the event. If it was too long or too short, come to the club meetings and help plot a route.

If you thought the sections were too hard or too easy, then book a week off work next September and come and help cut down trees and move rocks.

Provisional date for next year 5th October
